E-Competitions

Someshwar Technothon 2022: Secondary students bagged First and fourth prize

Vidya Pratishthan's Bilt students rocked at Shri Someshwar Shikshan Prasarak Mandal . Primary and secondary Class students participated in it from our school. Our students from Secondary group received first rank for '**Advanced Railway Techology**' (Anushka Solankar, Aryan More, Gururaj More and Purna Jagtap) and fourth rank for '**Eco-Friendly paper making from Banana pseudo stem**' (Vaishnavi Jadhav, Aniketh Chougula, Om Kanherkar and Tanishi Sharma). An objective behind it was to inculcate scientific attitude, social awareness, critical thinking, and innovation among the students.

Interschool Science Exhibition : Vidya Pratishthan's Bilt School secured Third Rank again

Vidya Pratishthan's Vinod Kumar Gujar School had organised 'Interschool Science Exhibition'. Secondary students of Vidya Pratishthan's Bilt School presented a project- '**Paper making from Banana pseudo stem**' (Vaishnavi Jadhav and Aniketh Chougula). This eco friendly project was appreciated by the visitors.

V.P.E.M.S.Bilt' students participated in State Level Science Exhibition.

The students of V.P.E.M.S Bilt,school participated in state level science exhibition which was organized at K.V.K.Sharadanagar, by Rajeev Gandhi Science Technology Commission of Maharashtra Government .

Under the guidance of the science & Maths teachers of the school,the students from std 6th to 8th,worked on the innovative &creative models as-Multipurpose magical stick & wheelchair, Bioplastic & Biozyme Jivamrut and also Hologram, Clinometer etc. The preparation for the exhibition made students to think scientifically &it also enhanced curiosity for their topic among them.

The students also grabbed this opportunity to have talk with the great scientists-Dr.Anil Kakodkar,Dr.Rakesh Joshi & Dr.Shilpi Khushwah

Book Fair at V.P.E.M.S Bilt,Bhigwan.

On the account of 'World Book Day ' to inculcate the habit of reading among students we organized Book Fair at our school.We were blessed to have the presence of Mr.Shrish Kambhoj (Registrar V.P.)for the inauguration of the Book Fair.

The students made beautiful images of book with the help of leaves and flowers and Gudhi of knowledge at the entrance to welcome the visitors. With the help of creative models, the students depicted the journey of book from beginning till modern era..In this fair all types of books(novels,storybooks,biographies,autobiographies ,historical &motivational books were exhibited.Students gave information about the books they exhibited..Parents were quite happy and were eager to listen to students ideas.

Success at Tilak Maharashtra Vidyapeeth in Elocution Competition.

Tilak Maharashtra Vidyapeeth Pune has organised an Elocution Competition on the account of death anniversary of Lokmanya Bal Gangadhar Tilak, for teachers and students .

This competition was conducted in 4 groups. From our school 26 students and 3 teachers were participated. The competition was held for-Hindi, English, Marathi and sanskrit languages.

It gives us immense pleasure to report that the teacher from our school, Mrs. Manisha Anil More,secured first rank in Hindi Elocution Competition at Tilak Maharashtra Vidyapeeth.

Mrs. Manisha More-1st Rank
Students-

English -1) Anushka Solankar- 3rd Rank

2) Purva Kothai - Consolation

Hindi -1) Sanskar Bhosale- 1st Rank

2) Arya Singh- Consolation

They have been awarded by cash prize with the certificates. The Principal Mrs. Sarita Shinde appreciated all the students and teachers.

Science Exhibition by Little Scientists of VPEMS BILT

To develop the awareness about environment and inculcate the sense of responsibility towards conserving and nurturing the environment, on 22nd June 2022, VPEMS Bilt School arranged Science Exhibition of std.1st to 4th , as a part of academic development. Theme of the Science Exhibition was 'OUR ENVIRONMENT'. Mr. Sampath Bandgar, founder member of Shiv Foundation and also the Ex-president of Rotary Club - Bhigwan, was the Chief Guest for the program. Students participated enthusiastically and exhibited their projects very nicely. More than 100 parents visited and encouraged our students for their initiation.

Program was a great success. It was planned and executed under the guidance of Principal, Mrs. Sarita Shinde and all science teachers. School team of staff, parents and students were all very happy for the conducting of such standard event that promoted the literary, understanding and scientific skills of students.

Balwarkari with the chants of Vitthal Vitthal.....at VPEMS Bilt, Bhigwan.

Balwarkari in the drapery of great sages, procession of Granth and chants of vitthal nam.....

Whole atmosphere at Bhigwan town filled with vitthalnam chants.

On the account of Ashadhi Wari the school had Dindi programme in Bhigwan. Students in the get up of Vitthal, Rukmini, Sant Dnyaneshwar, Sant Tukaram, Muktai were the attraction of the programme. Students depicted santwani and made the people to remember the messages given by great sages of Maharashtra. They also created awareness among people about their social responsibility through skit presentation.

Workshop at VPEMS BILT conducted on 'Effective Study Techniques' for Pre-Primary parents.

The school organised a workshop on Effective Study Techniques for the parents of pre-primary students on Saturday, 18th June, 2022. The workshop gave an insight on how to identify and manage the learning habits of the students after the pandemic. Teachers briefed about different study techniques and teaching aids to make the learning more happier and interesting.

Teachers guided parents to make a study kit for the students. Teachers and parents were involved in various hands-on activities to improve phonetics, maths concepts, reading and writing practices of the students. Parents appreciated the workshop as they came to know about variety of innovative study techniques for the students.

Fistful Grains For Needy Social Act at VPEMS BILT.

To inculcate the value of sharing and bonding towards society, the school planned for Social act: Fistful Grains For Needy. It was planned on 23 rd of June with the collaborations of Rotary Club Bhigwan. Under one of the act of Student's Interact Club of Rotary this noble activity took place in school. For this activity students were asked to bring good quality of grains (like wheat, Jowar, Rice etc.) which was collected by students rotarians and send to old age home ,orphanage as well as to school for *handicapped* children. Parents and teachers were happy to give message to students: 'to share what you have with needy'.

GLIMPSES OF CLASS ASSEMBLY

NAVRAS :BEAUTY OF EXPRESSIONS.

The nine rasas or emotions in our life are Hasya, Shringara, Karuna, Roudra, Bhayanak, Veera, Bibhatsya, Adbhoot and shanti.

These emotions we exhibit according to our life situations.

With the same message the students of 8th std presented the Class Assembly depicting, without emotions we would be just like robots. These emotions are proof of our living. The students of std 8th depicted the roles of human being in their lives in these 9 various feelings and emotions with the help of dances, skit and group song.

PERSEVERANCE, NEVER GIVE UP

Efforts are the most important in our life. Many time it happens after long effort we loose. But we should keep our Efforts consistent, so that we can meet our goals. So for this Perseverance is important. We should never give up. Because the Efforts do count. The efforts matter. So do hard-work and never give up.

COMEDIA - A TALE OF LAUGHTER.

The theme of class VI A was Comedia - a tale of laughter. The theme was selected to make everyone laugh. In our day to day life many of us have forgotten to laugh & to live life happily without any tension or worries. As we all know that once the time goes it never comes back, we should not be worry for our past and future. We should live our present with full enthusiasm. Laughter is a good medicine to live healthy and happy life.

At any circumstance we should not leave our hopes, our patience with same enthusiasm and zeal we should work to achieve the goal.

SUCCESS: A MATTER OF HARDWORK.

Every one's dream is to be successful. Achieving success is in our hand. Success begins with dream, goal, hard work, perservance & continues with teamwork, dedication, sacrifice.

To be successful, we need to follow path of honesty, truthfulness, hard work, co-operation. The path to success is never so easy and has no alternative. A person will have to cross hurdles & still be strong enough to walk through path.

TECHNOLOGY- TODAY'S NEED

Technology has changed our day- to- day life. It has brought the world closer and better connected. It has improved the quality of life and brought revolutions in various fields of modern society, it is in communication, transportation, education ,healthcare and many more. So we cannot escape from technology.

But while using technology we have to always remember that it should be used appropriately for the welfare of the world. And there should be harmony between technology and nature. Nowadays nobody can live without technology as it is today's need.

NATURE

A person can feel happy and happy only in the shadow of nature. Nature has also been a favorite subject for poets, writers and painters since ancient times. Nature has given us valuable gifts. Water, air, land, trees, forest, mountains, river, sun, moon, sky, sea is all the things of nature.

We should enjoy its beauty without disturbing the balance of nature.
