Inaugural ceremony of

**“Vidya Pratishthans Anantrao Pawar English Medium School,
Chincholi”.**

Hon. Sharadchandraji Pawar Saheb, Member of Parliament Rajya Sabha, Hon. Ajit Pawar, Deputy Chief minister Govt. of Maharashtra & Sou. Supriya Sule, Member of Parliament Lok Sabha were there for the inauguration & renaming ceremony of the new school at Chincholi village. While Hon. Sharadchandraji Pawar Saheb inaugurated the new building named after Shri Ajit Pawar's father Shri Anantrao Pawar, Shri Ajit Pawar Presided over the grand event at Swami Chincholi village. Function was graced by almost seven thousand people including MLA's, Vidya Pratishthan's Trustees & several members of the Pawar family were present at the event. Hon. Sharadchandraji Pawar, Shri Ajit Pawar and Sou. Supriya Sule addressed the gathering. In his speech Hon. Sharadchandraji Pawar said, "Through its quality education system, Vidya Pratishthan has made a name for itself not just in Maharashtra but on foreign shores as well".

In today's scenario, considering the need and importance of quality education of CBSE board, Vidya Pratishthan has extended its scope of imparting quality English Higher Secondary Education for Bhigwan and nearby areas, through this new construction in Swami Chincholi with all the advanced infrastructure that includes 50 advanced digital classrooms, 28 co-curricular rooms, AI, Robotics lab amphitheatre, gym & a huge playground stretched out in an area of 16 acres. The infrastructure is enclosed with green belt of exotic plants.

The motto of our school 'Learn, Lead and be the change....' Remains as its core identity in providing quality education in this rural surroundings.

“Mathematics-in my point of view” I-A

Mathematics is very important in our everyday life. Zero has it's own value as remaining numbers. With this same thought std-1st A presented class assembly on the theme Mathematics – in my point of view.

Mathematics is important part of our daily life. As zero number we says no value, but zero increases the value of other numbers.

“Our life is incomplete without Maths” I-B

As we need air and water to survive, math is also must in our lives to bring comfort and convenience at every step. Our life is incomplete without math. Math is the superpower that fulfils and completes our life.

“Magic of Maths” I-C

Students of standard 1C presented the assembly by considering the theme “Magic of Maths” where they have shown the magical things of maths. Students have shown the simple tricks to solve the sums in a very less time. They have shown that how tables and formulae are important to learn the things and to solve the difficult sums. Because of the formulae and tables we can solve the sum in a very less time. Through the dance also they have presented the magic of maths.

! Bhondla Special !

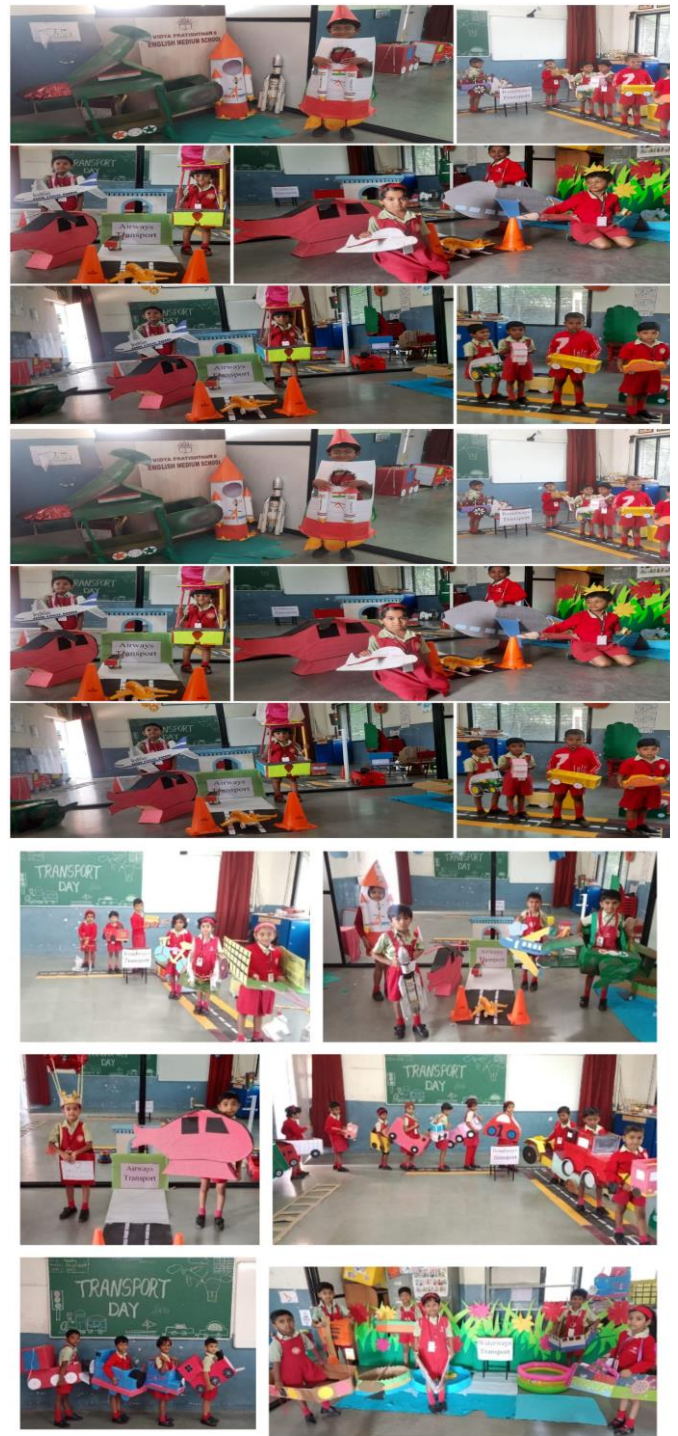

This academic year we have celebrated **Bhondla** on account of navratri as much as navratri is the time for **garba** and **dandiya** in the maratha dominated parts of the city. The bhondla dance was celebrated with much pomp by women. The nine day affair , full of songs, dance and dedicacies culminated on dussehra the parents and students were in traditional dresses they danced in a circle around the picture of an elephant they have enjoyed a lot.

Transport Day

School has arranged Transport Day celebration for pre-primary students. The creative props and vehicle models brought by the little ones. Students have clearly exhibited their intrinsic interest and knowledge on the topic.

Children and parents were filled with curiosity and admiration as they created a tableau depicting different modes of transport. They got actively engrossed in discussion and demonstration of different means of transport.
